DEAR MEMBERS AND FRIENDS

Our 24-year old Post 44 building needs urgent, major renovations and repairs, inside and out. These repairs will require a considerable amount of money - money we don't have. Leaks in our roof, cracks in the parking lot surface, plumbing issues and electrical rewiring are just a few of the problems we face.

Our kitchen - the heart and soul of the operation - is in need of a complete overhaul to stay in compliance with board of health regulations and to accommodate growing lunch and dinner crowds and increased special events in Patriots Hall.

To accomplish what needs to be done we have created the **100 Club**, a fund-raising tool to establish a special building repair account. We ask that each of the 1,500 Legion, Auxiliary and SAL members make a donation of at least \$100 to this fund.

Since launching the program on October 1st, more than 20 members have already donated, and surprisingly, those donations average over \$200 each.

You are welcome to make a single payment of \$100 or more, or through four (4) monthly installments of \$25 each. Your donation can be made using PayPal, Credit Card, Cash or Check. If you have any questions, contact the office.

As a **100 Club** member, you will receive a handsome jewelry-grade cloisonné pin to wear with pride and distinction. A plaque bearing the names of all who have donated to the **100 Club** will be displayed in our Card Room.

On behalf of our elected officers and members of the Executive Board, we urge you to join the **100 Club**. Your contribution will insure that Post 44 remains, "The Best Damn Post in the West."

Sincerely,

John Orendorff
